

NOVATEL WIRELESS™

T2000 Wireless Home Phone by Novatel Wireless™

Introducing the newest addition to Novatel Wireless' award-winning lineup. The T2000 is a premium Wireless Home Phone device that provides crystal-clear HD voice. The vibrant full-color display offers access to important information. With an integrated battery, phone calls can be made during power outages. Including support for fax and security systems*, this little gem steps up its game over previous generations.

GET CONNECTED IN MINUTES

Just plug in, connect your phone and make calls. You can do it yourself – no professional installation required. Set up this small, sleek, portable device in the kitchen, your office, the bedroom, and even take it with you when you travel.

BRILLIANT COLOR DISPLAY

Featuring a full-color, 1.77" display, the T2000 allows you to interactively receive important information on how your device is performing, giving you the best user experience possible.

GREAT SOUND

The HD voice provided on the T2000 is so crystal clear, it's as if you're talking to somebody in the same room.

STAY CONNECTED

Has your power gone out? No problem! With a build-in battery, the T2000 provides 3 hours talk time and 33 hours standby time**.

KEEP YOUR PHONE...LOSE THE LANDLINE

Enjoy clear local and long distance telephone service with all the features you'd expect on a landline. Caller ID, call forwarding, call waiting, call holding, three-way calling, TTY-TDD, voicemail and E911 are all enabled on the T2000. Plug in your corded or cordless phone and use your own home phone number or set up a new one.

PERFECT TOOL FOR BUSINESS CUSTOMERS

The T2000 is an ideal product for business customers. The portable nature of the device allows customers to quickly deploy where it is needed most in kiosks, construction trailers and small offices. With support for fax and credit card machines, the T2000 is a complete solution for business owners.

NOTE: Voice plan required. Coverage subject to network availability.

* Security systems are not supported at launch.

** Battery life may vary depending upon number of connected devices and activity.
